Notice of Revisions to Prices of Wheat Flour Products for Household Use

Nippon Flour Mills Co., Ltd. (Chairman, President, CEO & COO: Hiroshi Sawada) announces that it will revise the prices of wheat flour products for household use, starting with those to be shipped from (Wednesday) January 4, 2012.

It associated with the hike in government sales prices of five types of imported wheat by 2% on average on October this year. As a result, the prices for household use wheat flour will be revised as outlined bellow.

We are committed to making greater efforts to reduce costs and provide high-quality, safe and secure products. We appreciate your understanding.
