## **Notice of Revision to the Price of Wheat Flour for Household Use**

Nippon Flour Mills Co., Ltd. (President & COO: Masayuki Kondo; the “Company”) announces today that it will revise the price of its wheat flour for household use, starting with the flour to be shipped on Monday, August 1, 2016. The purpose of this revision is to reflect a reduction in the government selling price of imported wheat that was made in April 2016.

The details of the price revision are as follows:

### **1. Details of the price revision**

■ Wheat flour for household use

A decrease of about 2%

---

### **2. Timing at which price revision is implemented**

The revised price will be applied to wheat flour that is to be shipped from Monday, August 1, 2016.
