### **Notice of Revisions to Wheat Flour Prices**

Nippon Flour Mills Co., Ltd. (Chairman, President, CEO & COO: Hiroshi Sawada) announces that today, in connection with the October 1, 2011 hike in government sales prices of five types of imported wheat by 2% on average, it informed distributors of price revisions for its wheat flour products for professional use. Details are as follows.

#### **1. Amount of price revisions**

- Hard flour for professional use up ¥45/25kg
- Medium and soft flour for professional use up ¥45/25kg
- Domestic wheat 100% flour for professional use up ¥80/25kg  
(except for certain brands)

Note: The above prices do not include consumption tax.

#### **2. Time of implementing the price revisions**

For flour products to be shipped from December 20 (Tuesday), 2011
