Notice of revisions to wheat flour prices

Nippon Flour Mills Co., Ltd. (President: Wataru Aosaki) today announced to distributors that it will be revising its prices for commercial wheat flour as a result of a 30% increase in the price Japanese millers pay to the government for all five brands as of April 1, 2008. Details are as follows.

Details

1. Price revisions

- Commercial strong and semi-strong flour Up 565 yen per 25kg
- Commercial medium-strength and weak flower Up 450 yen per 25kg

Note: The above price revisions do not include consumption tax.

2. Date of implementation

Effective from Monday April 21, 2008
