Notice of Revision of Wheat Flour Prices

Nippon Flour Mills Co. Ltd. (President: Wataru Aosaki) today announced to distributors that it is revising prices for commercial wheat flour as a result of factors such as an across the board 10% rise in the prices Japanese millers pay to the government for five brands effective as of October 1, 2008. Details are as follows.

Details

1. Price revisions

- Commercial strong and semi-strong flour Up 255 yen per 25kg
- Commercial medium-strength and weak flour Up 245 yen per 25kg

Note: The above price revisions do not include consumption tax.

2. Date of implementation

Effective on shipments from Monday October 27, 2008 onwards
